

ZeRound

SMARTWATCH WITH CIRCULAR COLOR TOUCHSCREEN

- I tell time
- I track your daily activity and sleep
- I ring and vibrate on incoming calls
- Answer or reject calls directly from your wrist
- Make voice commands
- I display your text messages & social media activity

ZeRound is an elegant smartwatch with built-in microphone and speaker that allows users to handle calls directly from their wrist. On its circular color touchscreen, ZeRound notifies users of incoming calls, SMS, emails, social media activity and life reminders without having to look at their phone. ZeRound also supports Siri and Google Now to let you easily interact with your phone using voice commands. Equipped with a 3-axis accelerometer, ZeRound tracks your daily activity so you can keep an eye on your performance and progress. ZeRound can also be used as a remote control to take pictures and play music. ZeRound features an Anti-lost alarm that alerts you when your paired device is away and a Find my phone function that helps you track it back. Compatible with iOS 8+ and select Android 4.3+ devices that support Bluetooth BLE, ZeRound comes with a free mobile app that lets you pick and choose the information you want to receive on your smartwatch.
