- I display SMS, emails, calendar events & social networks notifications
- I track your heart rate, steps, distance, calories and sleep
- I control your smartphone's music player
- I can remotely trigger your smartphone's camera

Available colors

ZeRound^{2HR} Elite is an elegant smartwatch with a metal watchcase and a matching fine Milanese wristband, bringing style and technology at your wrist. ZeRound^{2HR} Elite is working with all the different aspects of your life, displaying incoming calls, SMS, emails, social media activity and agenda reminders, all within a design circular colour touchscreen. With its built-in microphone and speaker, ZeRound^{2HR} Elite allows you to handle calls directly from your wrist. Equipped with a 3-axis accelerometer and an optical HR Sensor, ZeRound^{2HR} Elite tracks your daily activity and measures your heart rate, so you can keep an eye on your performance and progress. ZeRound^{2HR} Elite also supports Siri, and Google Now to let you easily interact with your phone by using voice commands. ZeRound^{2HR} Elite can also be used as a remote control to take pictures and play music without having to look at your phone. ZeRound^{2HR} Elite features an «Anti-lost» alarm that alerts you if your paired device is distanced and a «Find my phone» function that helps you track it, to get it back. Compatible with iOS 8+ and select Android 5.0 + devices that support Bluetooth BLE, ZeRound^{2HR} Elite comes with a free mobile app that lets you pick and choose the important information that you want to receive on your smartwatch. Equipped with an interchangeable band system, ZeRound^{2HR} Elite offers the possibility to customize your watch with any other standard 22 mm watchband and thus create the perfect accessory for every occasion.

ZeRound^{2HR} Elite helps you stay healthy, connected and motivated in style. Once in your possession you'll wonder how you managed before it.
