## SMARTWATCH WITH ACTIVITY TRACKER

- I tell time
- I ring and vibrate on incoming calls
- Answer or reject calls directly from your wrist
- I display your text messages & notify you of social media activity
- I track your steps, calories, distance and sleep
- Set your daily goals and reminders
- Follow your performance and progress

ZeWatch<sup>3</sup> is a smartwatch with OLED touchscreen that keeps you connected to your phone via Bluetooth. On incoming calls, ZeWatch<sup>3</sup> rings and vibrates, displaying the caller number and/or contact on its OLED screen. You can easily answer or reject calls thanks to its intuitive side buttons and integrated speaker and microphone. ZeWatch<sup>3</sup> also alerts you of missed calls, incoming SMS, email, social media notifications and calendar events. You can also read SMS directly from the smartwatch. ZeWatch<sup>3</sup> lets you stream music from your paired device and features an anti-lost alarm that alerts you with a gentle vibration when your phone is away. Equipped with a 3-axis accelerometer that tracks steps taken, calories burned, distance traveled and hours slept, ZeWatch<sup>3</sup> allows you to check your activity level in real-time. Users can sync their activity data, set up daily goals and reminders, follow their performance and progress using the free mobile app - available on the App Store, Google Play and Windows Phone Store - or the dedicated Mac / PC software. With ZeWatch<sup>3</sup> on your wrist, you will stay connected, motivated and active throughout the day!
